Sam McCool

Re: 15th July Performance

Our office recently held a Christmas in July party, for which Sam was the entertainment. He arrived and played the part of a new and strange employee, confusing, but more importantly entertaining all in attendance. Sam was well prepared with witty, well researched remarks for all of our staff. Our arrangements were quite rushed, so we appreciated his adaptability and professionalism. I highly recommend Sam for future corporate and private functions as his performance was of a high standard, and has left us with fond memories of the evening.

Kind Regards,
